Person with excellent contacts in leftist political circles (B) from a local Communist leader (F)

1. Consideration is presently being given by Jaime DIAZ Rozzotto, Secretary-General of the Partido de Renovación Nacional (PRN), to dissolving the PRN unless that party's position improves significantly in the near future.

2. If the PRN is dissolved, DIAZ will attempt to join the (Communist) Partido Guatemalteco de Trabajo (PGT). PGT leaders are stated to have grave doubts as to DIAZ' amenability to Party discipline should he become a member, especially if, as and when such discipline might affect his own standing both in the party hierarchy and as regards his Government position as Secretary-General of the Presidency. Ideologically, however, DIAZ is considered a promising candidate for Party membership.
